Dear Dr. Burleigh:

Many thanks for the copy of the Richards family book. You have done a wonderful job and certainly have put a lot of time + effort into it. I knew you had been working on it but had no idea you were so far advanced.

I sent the final corrections + new charts on the Fralick family to the UEL Association in Nanawake about a year ago. Some of the old charts were not correct + new ones were made up. The complete notes are now in the Belleville library + with UEL. assoc.

When you moved I lost track of you so I did not know where to send the new sheets - so I sent them to the association. I hope they all wind up together.

You might correct any future printing of your book as follows, Page 9

Dear Mr. Burlingame:-

Sorry to keep the French file for so long a time -  
but, unfortunately, it is to be checked and it took longer than expected.

The file folder got in pretty bad shape from handling,  
so I got a new one on. I hope you will find everything in order and  
to your satisfaction.

There are a few questions I would like to ask re the  
file, if you would be so kind as to give me a few minutes of your  
time.

1. A page in the file headed "Directory of 1865"  
Question: What is the meaning of the number after the name,  
i.e. 37, 276. There are 2 columns. French names 1. 1-7

2. A small half page headed "December 1816"  
"John - Louis Jordanier"

Question: What does December 1816 mean?

3. Next small page headed "Marie - Anna Lister"

born 1806

Communicable December 1816

} what dates are  
these?

4. In what archives or books are the Rochester Schoolchildren's records  
located?

5. A page of letters in red pencil, marriage etc. In the top right  
side a heading "Communicable"

beginning 1796

Various names appearing under dates, some names under more than one  
date.

Question: What do these dates and names mean?

Hope this will not get me into a lot of trouble.

Charlie and I enjoyed our visit with you very much and we  
will both keep our eyes open for anything on the records.

I will be sending you some new paper for the press and  
also some paper to replace existing ones. Would appreciate your comments  
on the paper and any suggestions for improvement etc.

Best regards,

Howard E. Fralick.

Dear Mr Burling -

About a year ago I wrote to you

I have not had a reply. I  
would very much appreciate hearing  
from you either to the effect that  
you can give me no further in-

your fee would be. -

Dear Dr. Burleigh:

I enclose a copy of a letter which I have written  
to Miss Fraleck in Belleville.

Unless you think you might have information not  
available to her, please ignore this request. I  
know that you are busy and I would like to avoid  
imposing on you.

Mother keeps well. She is now in Toronto to spend  
Christmas with my sister, Dorothy.

Our best regards to you and Mrs. Burleigh.

Sincerely,

*Arch Wilson*

Miss Helen Fraleck  
113 Moira Street West  
Belleville, Ontario, Canada

Dear Miss Fraleck:

I should first identify myself as one of those individuals who periodically sends you a cheque to cover my membership dues -- and now may I ask a favour?

For a number of years I have known a William W. Fralick of Denver, Colorado. The surname was, of course, familiar to me because I knew that many years ago a Henry Fralick had been a friend and parishioner of my grandfather's in Napanee. Only recently did I discover that my friend's grandfather, John Fralick, was born in Napanee and that the family would be very much interested to know more about their antecedents.

My mother, who is 86, lives in Napanee. On questioning one of her contemporaries, mother was told that a John Fralick had a daughter, Edith, who died young, and a son, Fred, but mother's informant had no recollection of a William (which is the name of my friend's father). My mother's informant believes that this family left Napanee around 1900.

And now my question. Can you identify these people a part of your connection and, if so, can you tell me anything about their forbears? I seem to recall reading somewhere that the name was originally Fraleigh.

Unfortunately, my annual visits to Napanee are in the summertime and I never have an opportunity to attend any of the Association's meetings. Cummings Daverne is an old classmate and I wish you would say hello for me when you see him. For years I have been going to look him up but I never seem to get around to it.

I would greatly appreciate any information which you can give me.

Sincerely,

ACW:S

M. D.

## Famous Doctor Was Physician of Boxers

Dr. Wilfred G. Fralick, Who  
Died in New York, Was  
Native of Picton

Dr. Wilfred G. Fralick, a native of Picton, and well-known in Kingston, died today in New York, after an illness of some duration.

The late Dr. Fralick became prominent in athletic circles in the United States, mainly because of the success he had in looking after champion boxers. Gene Tunney and Jack Dempsey, former world's heavyweight champions, were among his patients, and so efficient was he in looking after the boxers, that he became as well known as "Bonesetter" Reese is among professional baseball players.

Deceased formerly attended Queen's University, but left Kingston a number of years ago, locating in New York, where he established a practice which steadily grew until he became one of the best known medical men in the metropolis.

He was a brother of the late George Fralick, who for many years was a well-known Kingstonian, and who died some time ago in Ottawa.

Mr. Howard Fralick, U. S.,  
59 Palmer Road,  
Belleville, Ont.

Dear Mr. Fralick:

It is about time that I answered your undated letter re the Richards and Fralick families. I found it most interesting, and I have a number of comments, good or bad.

I have a copy of the Archives Report of 1904. The Owen Richards, whose claim is mentioned, does not belong to the family of Lieut. John Richards. As mentioned in the reminiscences of ~~John~~ John C. Richards, which you so kindly sent to me some time ago, Lieut. John Richards came from a Welsh line which had been several generations in France. Therefore, if at all related, it would have been several generations back. In addition, the Owen Richards, son of Lieut. John, was a boy of about 15 in 1781. So, he is NOT the Owen whose claim is found in the above-mentioned Archives Report. I have little to add to the early days of Lieut. John, except that a certain John Richard was interned during the Conquest of Canada (1755-60). This man, I assume, was Lieut. John, seeing that he was French, and recently arrived in New York Colony. Naturally, he would be under suspicion in any conflict with the French.

The Loyalist Claims found in the Archives Report of 1904 are not all that were filed. The originals are in the Public Record Office in London, England, and were copied by Canadian representatives for our benefit. All were not copied, however. Those not copied are bundles 15 and 80. I have a list of them, and they contain the claim of John Richards. I have a copy which I obtained from London several years ago. He was then (in 1776) in Fort Hunter, on the Mohawk River. I did a good deal of searching for Richards and his Connor-Wemp connection. There is a good deal of material, but nothing definite, except on the Connors, from which came the given name, Owen.

With regard to the Fralicks, I have a number of items which you may not have seen. They are:

1. The First Settlers of Albany County, New York (The book is in the N. Y. State Library, Albany, N. Y.)  
Fralick, Martin and Anna Maria Hagedorn--son Christopher, born Apr. 12, 1761.
2. Minutes of the Committee for Detecting & Defeating Conspiracies, Albany County, 1778-1781. (I have a copy, 3 vols.)  
From 1778 to 1781, Jacob Fralick, with others, were arrested as suspects in releasing two men from the authorities. Jacob was finally released on 100 bail, with Martin Fralick his surety in the amount of 100. These items make interesting reading, and MUST refer to our Loyalist family.
3. Land Books of Ontario (the originals are in the Public Archives, Ottawa).  
On 14 July, 1796, Jacob, John and Lecharish Fralick applied for lands in Haldimand Township. It is possible to see these applications, or to obtain a photostatic copy. I feel confident that they refer to themselves as sons of Martin.
4. The Land Books also contain an application of Hannah Fralick, alias Smith, wife of Jacob Fralick, and daughter of Jacob Smith, U. S.
5. The Lutheran Church Records also contain baptisms of several children of Jacob Fralick and wife, Hannah, or Anna. They are Elisabeth, born 1792; Katrina, born 1794; Anna, born 1796; Jacob, born 1799. In two of these cases Martin & Anna Maria Fralick were sponsors (or testators).

6. In addition, the Lutheran Church records note the baptism or birth of a Jacob, son of Christopher & Katarina Fralick.
7. Jacob, son of Christopher Fralick, U. E., received 200 acres of land as a son of a Loyalist by Order-in-Council dated 7 October, 1831.

In addition, I have a number of references to Fralicks which I have found here and there over the last twenty years. It seems to me that you ought to see these papers before finally launching on a history of the family. There might be something which would be of value.

I find it difficult to advise you regarding the disposal of the extra copies of your genealogy. I am finding that hard to do with all the many files and genealogies that I have collected over the years. My main concern with mine is that they are made available to anyone interested, provided there is suitable supervision or that notes can be made from them on request. I have refused to donate them to the local Historical Society, as they do not allow persons to view them. I have practically all of the papers, as well as applications for membership, belonging to the U. E. L. Association. In addition, I have over 400 family files, 30, or more genealogies, as well as Archives reports, Ont. Historical Society papers, Lennox & Addington papers, as well as books by the dozen which deal with local events & history. I have also copies of a half-dozen diaries, census records, etc., etc., etc. All these are left for my daughter to donate to the Dominion or Provincial Archives, or the Bay of Quinte Branch of the U. E. L. (provided they establish a library under supervision) or to the Ontario Genealogical Society. I might suggest that one copy go to the Provincial Archives and the other be left with for disposal with my papers, which make up a library in itself. In any event, see my papers before you finally decide.

If you should wish to look over my Fralick file, please let me know before you come, in order that I am free to welcome you. You see, I still attempt to relieve the poor suffering humanity of this community. Incidentally, I shall be away Sept 23 & 24, as well as the week beginning Oct. 3.

I look forward to your visit.

Sincerely,

Dr. H. E. Burleigh JE

Sept 10/64

Dear Dr Burleigh

many thanks for your letter of the 7 Sept. It contained some information I did not have. For example, Martin's wife and some of Jacob's children also I did not know about Jacob's trouble with the Govt in the U.S.A. All very interesting & important to me.

You must excuse these poorly written & hasty notes - I just seem to run out of time anymore & must write a lot of letters quickly & make them brief - I wish I could spend more time on this history business.

I hesitate to call my notes on the family a genealogy - I just call them notes & write them up as I obtain information rather than wait until I have it all on hand - at least I am doing something.

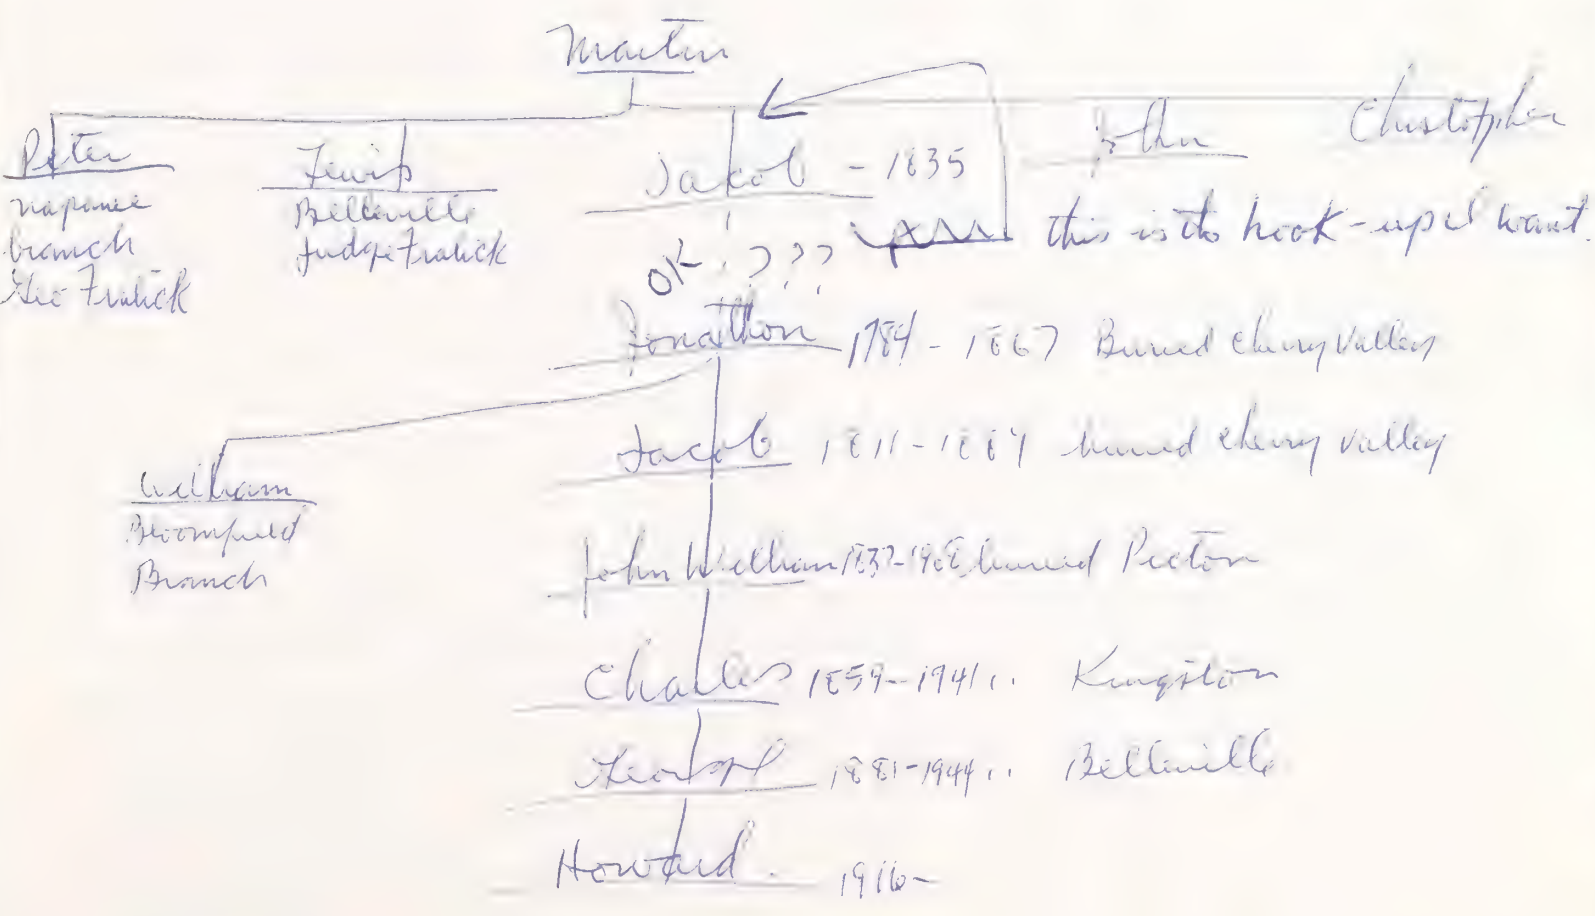

Well, as for the Richards, I am inclined to agree with you about Owen - I have the claim of John from England in 1777 - the same year Owen went back from Halifax to England. ~~It~~ seems more than a coincidence that they both were in the Customs Dept at Boston - I suspect the Owen in the 1904 report was an uncle of Ft. John.

As you mentioned, the Claims not copied are in England but I think all the minutes of the Claims Commissioners are in Washington where they were placed by the Smithsonian Institute. I have written a number of times to the National Archives, Public Records Office & the Institute & they all have a lot of old records.

I think you must have a very interesting collection of books & papers. I will look forward to seeing them - When I come down I will phone you in the afternoon or early evening to make certain you will be at home -

For many months I have been searching for information on Jacob Fralick, but always I come up with Jacob son of Martin + no trace of a Jacob who came to U.E. by himself. As you know, the old book on U.E. families separates the Martin clan from Jacob & it says that Jacob probably came with Major Van Alstine - but there are no records of this. Martin came in 1783 with his sons including Jacob. What I really want to pin down to clinch my theory is to have Jacob son of Martin to have a son Jonathon. Could be your file might connect them or the Lutheran Church records may record the birth of Jonathon. The following will explain a bit better:

3

As you can see, if I can tie Jonathon to Jacob son of Martin we will have it pretty well worked out. There are lots of records in Picton that connect Jonathon with Jacob but we are not certain who Jacob was.

You might run into something for me, so please keep it in mind - I will also keep an eye out for anything on Ft. John Richards. I will bring a copy of my notes with ~~me~~ and turn them over to you. I think I will also take your suggestion & deposit a copy with the Archives.

I will see you soon & phone before I come.

Regards

Dear Dr. Burleigh

Knowing you are trying to establish the birth date of Ft. John Richards - I thought I would pass along some information I found. In the Ontario Archives Report for 1904 there is a claim of Owen Richards. Some of the dates in this claim must be errors. For instance Owen says he is Welshman & came to America in 1773. However he produces a deed to his house in Boston dated 1759. He also says he was tared & feathered in 1770.

I don't know if you have this report or not - If so you probably already have referred to it. It is no longer available from the Ont. Archives. It must be ordered from the New Brunswick Museum in St Johns. If you want me to type it out I will do so.

I am including the Richards family in my history of the Fralicks. I might mention that I have considerable work finished on my notes on the family & in book form. I have made the original & 3 copies one is for Chas. Fralick of Bloomfield who has helped a great deal with the research. This

leaves 2 copies and I have not yet decided what to do with them. I would like to see them put in a permanent place. Do you think one copy should go to the Archives in Toronto or Ottawa. the other to the Bellville Library or the U.E.L. Ass. in Adolphustown. How permanent are the records kept down there? I have often thought you might like to have a copy & this might work out O.K. if you could arrange to pass it on to the U.E.L. when you dispose of your papers etc. - maybe by your will or otherwise. Your comments would be welcome.

I have on hand all or nearly all of the published reports (1902-1933) of the Ontario Archives - they are a wealth of information. I also have now accumulated stacks & stacks of documents on the Fralicks from Nova Scotia records, Ottawa Archives etc, etc. We have a pretty clear cut picture of the Fralicks and the chart I made up is 6 ft long and 4 ft wide. I am also gathering data on families that we married into.

My history is in the form of notes, numbered 1 to 20 at present I have 6 or more completed & many started. The index to the sections is finished but is subject to change.

I would enjoy a visit with you - & will definitely make it within a month or so at most. In the meantime if you do not have the information in the 1904 report - please let me know. There are other Richards in some of the other reports also for instance Richard Richards, Nath. Richards, Noah Richards.

I am checking with the Archives to see if they can verify the dates in the 1904 report from the manuscripts. But I believe the originals are in the Records office in London Eng. I will probably have to send for copies.

at present I am compiling a file on Jacob Fralick. Charles of Bloomfield thinks he came over & purchased land near East Lake where he was when he died in 1835. He bought the land in 1805 & all our family were raised there. Our branch came from his son Jonathon via Jacob the younger to John Williams. My belief is that he is Jacob son of Martin. all the records are full of Jacob son of Martin - no mention of another Jacob anywhere - no land petitions, no claims, no deeds, no transactions of any kind - if he came in 1805 as the papers in Pictou show, why would he have not asked for land. Everyone did, Loyalist & just plain settler after the war. Land was given to anyone who asked for it even

into the middle years <sup>of</sup> of the 19th century. Yet we cannot find a trace of a land transaction or a claim from Jacob - He was a pretty sharp character & dabbled in land & made a lot of money. He was rich when he died. In my opinion he was in a good position to do so as Martin's son. He already had a grant in Emstons near his father. He got more in Sydney trip. in 1789 when he & his father & brothers ask for a grant (as most did) when Dorchester announced land would be given to officers & men of other Regiments to bring them even with the grants made on a grand scale to members of the 66th Foot in 1783 on the Ottawa River. In the past 2 years I have been in contact with almost every historical society, town clerk, archives and records office in New York State & Ontario & Quebec also N.B. and N.S. Lots of Fralicks everywhere, but only 1 Jacob namely Martin's son. Found lots of the family in N.S. such as John & Adam who later came to U.C. also George who came to N.S. 1753 direct from Europe long before the war. Have studied at great length the competition between the French & English in Nova Scotia before the war. Have traced the journey of the Palatine Germans from their

5

homes on the Rhine to Ireland & England thence into the ~~valley~~ valley of the Hudson & Penn. Very interesting history.

Well I won't bore you any longer - your comments would be welcome. Anything you might have on Jacob also - or the Richards - see you soon for a chat.

Dr. H.F. Burleigh,

Dear Dr. Burleigh,

With reference to your letter of Feb. 13, 1959 concerning my application and the Richards family.

I agree with your comments as to a missing generation or so in the account of the Richards family as told by John Richards (1790-1884) a copy of which I sent you.

I sent for John Richards's application which was located by the Public Records Office in London England. It was in Bundle 37 and not bundle 30 as you suggested. I am enclosing a copy for your file.

I am very interested in finding out more about the Richards family and note that you mention your correspondence with a lawyer in the U.S.A. concerning the family. I wonder if any of these letters would be available so that I might study them.

I enclosed a chart that shows just about all I know about the family and wondered if you would be kind enough to correct names and dates and add notes on anything about which you would have information. I suspect as you do, that Lt. Richardson was part Indian and would like to get more information on this if possible.

John Richards 1540-1620 Welsh. Took part in St. Bartholomew massacre Aug. 24, 1572.

? ?

One or two generations missing here.

Lt. John Richards 1730-1807 (verified) French later American. Married a widow named Kemp. Came to Fredericksburgh. Was an Indian Agent. Children - John, Daniel, Owen, James and Margaret.

Col. Owen Richards 1760-1840 - Married a woman named Spencer, daughter of Benjamin Spencer and Eliza O'Connor. Hamilton Spencer son of Benjamin was a brother of the Col's. wife and he was a U.E.L. from Fredericksburgh. Children: John Church, Polly, James and three other sons. Believed to have been a customs officer at Boston Mass.

John Church Richards 1790-1884 (verified) married (1st. wife Sarah Spefford) (2nd. wife Mary (Polly) White) Polly White b 1794, d 1884.

Clarissa 1842-1915 (verified) married John William Fralick in 1898. My great grandfather whose son Charles was my Grandfather. My father was George son of Charles. Other children of John William and Clarissa were - Dr. Ralph, Dr. Wilfred, Fred, Annie and Nettie May (twins), Clara Bessie and Charles.

And now a few words about the Fralick Family and how I am getting on in that respect.

I don't think any of the Fralick's were in Canada before 1798 or so. The first census taken after the war in New York and Penn. shows the following Fralick's were still in the U.S.A.

#### Pennsylvania 1790

A widow Fralick - Lancaster County.  
Anthony Fralick - Dauphin County.

#### New York 1790

Benjamin Fralick	Albany County

Peter Fralick	Dutchess

Stephen Fralick	Dutchess

Further, the Index to Upper Canada Land Books for applications for land, show that no deed in the name of Fralick (or variations) was granted before 1797 at the earliest.

Now the Fralicks managed to stay all in one place during and after the war I do not know. As you know they were all given a rough time if they had anything to do with the loyalist cause. Certainly there were members of the family involved in Military Service. The following for instance-

Martin	In secret Service.
John	Butlers Rangers.
Peter	Delaney's Corp.
Adam	Capt. Militia.

*Except Martin et al.*

3.

Benjamin	Butlers Rangers
Abraham	" "
Clement	Butlers Rangers.
Jacob	" "

In regards to your letter you state that the name of Jacob does not appear in the U.E.L. List. I found a Jacob Fralick in the list however and it also states that he served in the Butlers Rangers. I have not been able so far to tie him into our family. Recently I decided to start in on another angle, so I started to investigate the Charles Fraleigh family in Bloomfield. I found that Charles knows a lot about the family and says his grandfather Jacob is buried in Cherry Valley Cemetery. A year ago I looked for Jacobs grave (that is my great, great, grandfather) who is also in that Cemetery. I could not find it and all the old records are now destroyed. It may be that the two Jacobs are one and the same. If this is the case then we will have no trouble clearing up the whole business. I will go out to Cherry Valley with Charles soon and see what we can find.

When I have gone as far as I can go I will write it all up and send you the complete record. I guess it should be placed in the U.E.L. Records so that it will be available for future reference.

I will be happy to hear from you and to get your comments. Please see if you have anything more on the Richards family.

Sincerely,

Howard E. Fralick.
